EXHIBITOR BENEFITS

OAOS 2026 ANNUAL ORTHOPAEDIC CONFERENCE

Join us for an exciting two-day, in-person educational experience led by some of the most respected orthopedic surgeons in the field. This year's theme, "Foundations & Frontiers in Orthopaedic Surgery," highlights the principles that have shaped our specialty while exploring the innovations transforming its future. Through a dynamic mix of symposia, case-based discussions, and expert panels spanning all subspecialties, attendees will gain practical insights, engage in meaningful dialogue, and leave with knowledge they can immediately apply in clinical practice.

Our conference attracts orthopedic surgeons, residents, and affiliate providers from across the Pacific Northwest, providing a valuable opportunity to connect directly with a highly engaged audience of medical professionals. These attendees are actively seeking innovative solutions, clinical tools, and meaningful partnerships that can enhance patient care and advance their practice.

WHY EXHIBIT?

Your participation helps drive the success of our event — and we're committed to showcasing your company every step of the way:

- Direct access to decision-makers and influencers in orthopaedics
- Showcase your products, services, or innovations with a dedicated speaking opportunity
- Valuable face time with attendees during dedicated exhibit hours, meals, and a networking event
- Brand exposure through onsite signage, printed materials, and pre/post-event promotions
- Opportunities to showcase new products or services directly to your target audience

Reserve your spot today - [register online](#) or complete the attached registration forms.
